**\*FREE K&N DECAL To register your warranty, please see us online at [knfilters.com/register](http://knfilters.com/register). FREE K&N DECAL\***

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter may be used in a stock machine, and no modifications will be required. However there are special installation instructions, so please follow the procedures outlined below to ensure that the K&N *Filtercharger*® seals properly.

- 1) Remove the OE filter from airbox.(see fig. 1)
- 2) Slide the K&N filter onto the intake flange. (see fig. 2)
- 3) Push in top side of K&N filter till properly seated. (see fig. 3)
- 4) Tighten clamp to secure a proper seal. (see fig. 4)
- 5) Re-install airbox lid. (see fig. 5)

**These instructions must be followed every time the filter is serviced, otherwise the filter may not seal and damage to the engine could result.**
